**Am Am2 Em Em/G** 022003

Oh belladonna, never knew the pain

**023C C/G** 032013 **Dm G**

Maybe I'm crazy maybe it'll, drive me insane

**Am Em**

The open letter just, carelessly placed

**023C 20 Am**

And your moving silence, The tea so delicately laced

**Dm G 023C Am Am2**

Out of reach, out of touch

**Dm G Am**

How you've learned to hate so much

**Dm G 023C Am Am2**

Out of reach, out of touch

**Dm G Am**

How you've learned to hate so much

**Am Am2 Em Em/G**

Came from passion and you, gave it a name

**023C C/G Dm G**

The fingers of poison like needles, in the drivin' rain

**Am Em**

So smile discreetly as you, watch with such grace

**023C 20 Am**

Now I must slip away but can you, forget my face

**Dm G 023C Am Am2**

Out of reach, out of touch

**Dm G Am**

How you've learned to hate so much

**Dm G 023C Am Am2**

Out of reach, out of touch

**Dm G Am**

How you've learned to hate so much

*Music : Dm G 023C Am Am2 Dm G Am*
