Hello darkness my old friend I've come to talk with you again
C - F - C F - C
Because a vision softly creeping Left its seeds while I was sleeping
F x C Am/B Am
And the vision that was planted in my brain Still remains
G A2 Am !
Within the sound of silence...

strumming

G G4 Am A2
In restless dreams I walked alone Narrow streets of Cobblestone
C - F - C CM7 F - C CM7
Near the halo of a street lamp I turned my collar to the cold and damp
F x C CM7 Am/B Am
When my eyes were stabbed by the flash of a neon light that split the night
C G G4 Am A2
And touched the sound of silence...

And in the naked light I saw Ten thousand people maybe more
People talking without speaking People hearing without listening
People writing songs that voices never share And no one dare
Disturb the sound of silence...

Fools, "said I" You do not know Silence like a cancer grows
Hear my words that I might teach you Take my arms that I might reach you
But my words like silent rain drops fell
And echoed in the wells of silence...

And the people bowed and prayed To the neon God they made
And the signs flashed out its warning In the words that I was forming
And the signs said the words of the prophets are written
on the subway walls and tenement halls
C G ! A2
And whispered in the sound ... of silence.....
